

## INSTRUCTIONS FOR FILLING IN THE APPLICATION FORM

1 Applicants are advised to study the prospectus carefully and satisfy themselves that they are eligible for admission to the course/fellowship for which they are applying. If at any stage it is found that a candidate does not satisfy the eligibility conditions or the information furnished in the application is incorrect, the application will be cancelled. Those who have completed or are due to complete the qualifying examinations for which results are not yet published, may also apply for admission; if selected, their admission to a course or fellowship will be provisional pending the announcement of results. In such cases, however, their applications will be cancelled if the final examinations are not completed before **01 July 2010**. This date may be relaxed by the Institute in case of candidates with outstanding academic record and performance in the selection tests and interviews. **If a student had failed in a programme of the Institute and was not allowed to repeat it, he/she is not eligible for re-admission to the same programme.**

2. The application form should be filled in carefully and legibly. Instructions given below should be strictly followed.

3. Do not write in the space marked "**For office use only**".

4. Candidates should affix a copy of their recent stamp size photograph, at the top of the application form at the place indicated. Candidates should sign across the photograph at the bottom after it is affixed, so that a part of the signature appears outside the photograph. Please note that **another identical copy** of the photograph is to be affixed on the Admit Card when you receive it.

5. The following relate to specific items in the application form :

5.1. **Items 1 and 2.** Leave one box blank between words. The address to which you want letters to be sent is to be written here in CAPITAL LETTERS along with telephone number, mobile number and e-mail address, if any. **This address should also be written legibly in CAPITAL LETTERS along with telephone number & mobile number, if any, on two (2) envelopes (not less than 10.5" × 5.5") without affixing any stamp and these envelopes are to be sent along with the application form duly filled in. The syllabus & sample questions and the admit card for the selection tests will be sent in these envelopes.**

5.2. **Item 3.** Choose the course (or fellowship) you want to apply for and write the corresponding code (see the table on the next page) in the boxes provided. In case you have successfully cleared the INMO test, put a tick (✓) in the box provided. **Selection tests for the courses/fellowships will be held on the same day.** In view of this, candidates are advised to send **only one application** for the session **2010-2011**.

Candidates selected for Junior Research Fellowships may be asked to join at a place other than the one opted for, if necessary.
