

## EDITORIAL ACTIVITIES

### 1. Editor-in-Chief

*IEEE Trans. on Fuzzy Systems*, January 2005 - December 2010.

### 2. Associate Editor / Editorial / Advisory Board member of

- a) *IEEE Trans. on Syst. Man & Cybern. Part B*
- b) *IEEE Trans. on Fuzzy Systems*
- c) *International Journal of Approximate Reasoning*
- d) *The International Journal of Hybrid Intelligent Systems*
- f) *Neural Information Processing - Letters and Reviews*
- g) *Fuzzy Sets and Systems*
- h) *International Journal of Intelligent Computing in Medical Sciences and Image Processing*
- i) *Fuzzy Information and Engineering : An International Journal*, Springer.
- j) *International Journal of Neural Systems*
- k) *International Journal of Sensor Networks and Data Communications*

3. Co-Guest edited a special issue of *Int. Jour. Neural Systems* on **Neuro information processing : Novel methods, systems and applications**, Vol. 15, Nos. 1-2, 2005.

4. Co-Guest edited a special issue of *Int. Jour. Intell. Systems* on **Computational Intelligence for Decision Making Systems**, Vol. 18, No. 5, 483-486, 2003.

5. Co-Guest edited a special issue of *Int. Jour. Patt. Recogn. & Artificial Intell.* on **Computational Intelligence for Pattern Recognition**, Vol. 16, No. 7, 2002.

6. Guest edited a special issue on **Soft Computing for Pattern Recognition** for the *Journal of Fuzzy Sets and Systems*, Vol. 103, No. 2, 1999.

7. Guest edited a special issue on **Pattern Recognition** for the *International Journal of Fuzziness, Uncertainty and Knowledge-Based Systems*, Vol. 3, No. 4, 1995.

8. Co-Guest edited a special issue on **Fuzzy Logic, Neural Networks, and Their Applications** for the *International Journal of Approximate Reasoning*, Vol. 10, No. 1, 1994.
