

Must Attend Tutorials!!!

<http://www.isical.ac.in/-icfhr2010/Tutorials.html>

Venue: Indian Statistical Institute, Kolkata, India
Date: 15th November 2010

A common platform where leading researchers and engineers from the fields of on-line and off-line handwriting recognition will share knowledge and experience

On the Occasion of

ICFHR 2010

12th International Conference on Frontiers in Handwriting Recognition

16th-18th November, 2010 | Kolkata, India

Handwritten Text / Word Recognition Systems – Conception, Approaches and Evaluation by **H.E. Abed** and **V. Margner** 3 hours

Sequence Modeling: From Hidden Markov Models to Structured Output Prediction by **T. Artieres** 3 hours

Markov Models for Handwriting Recognition by **G. Fink** 3 hours

Signature Verification – Forensic Examiners' Perception and Solutions for Off-line and On-line Signatures by **M. Liwicki, Michael Blumenstein, Elisa van den Heuvel** and **Bryan Found** 6 hours

Information Retrieval from Handwritten Documents by **A. O. Thomas, A. Bhardwaj** and **Srirangaraj Setlur** 6 hours

Multimodal Computer Assisted Transcription of Handwriting Images by **A. H. Toselli, M. Pastor** and **V. Romero** 6 hours

Seats are limited!! Register Early

Tutorial Fees (for other than resident Indians):

	Early-Bird Registration until Nov 05, 2010	On-site Registration Nov 15, 2010
IAPR Member	100 USD	125 USD
Non-Member	125 USD	150 USD
Student* (Full time)	075 USD	100 USD

Tutorial Fees (for resident Indians):

	Early-Bird Registration until Nov 05, 2010	On-site Registration Nov 15, 2010
IAPR Member	₹ 3500	₹ 4000
Non-Member	₹ 4000	₹ 4250
Student* (Full time)	₹ 2500	₹ 3500

* Deserving students may apply for full/partial waiver of the registration fees

All tutorial registrations are for the full day only.

Tutorial registration fees include:

Access to particular tutorial session(s)
Tea breaks

Name badge
1 working lunch

Writing pad and pen
