

INDIAN STATISTICAL INSTITUTE
203 B.T. Road, Kolkata - 700108

No.PU/507/ADV/2686

14 June 2018

ADVERTISEMENT

The Indian Statistical Institute (ISI) invites applications from exceptionally bright and motivated individuals with an established record of high quality research and development, and a strong commitment to teaching for positions of Assistant Professor, Associate Professor and Professor in its various research divisions. Overseas Citizens of India (OCI) and foreign nationals are also eligible to apply. Duties include undergraduate and post-graduate teaching, independent research, research supervision, departmental activities and institutional activities.

This is a rolling advertisement. Interested applicants are encouraged to apply for the positions throughout the year. The recruitment committee(s) will meet regularly subject to the number of vacancies to consider the applications and arrange for seminars and/or interviews as the need arises.

Research Divisions:

(For details on areas of specialization, please click on the name of the division of interest)

- [Applied Statistics Division](#)
- [Biological Sciences Division](#)
- [Computer and Communication Sciences Division](#)
- [Physics and Earth Sciences Division](#)
- [Social Sciences Division](#)
- [Statistical Quality Control and Operations Research Division](#)
- [Theoretical Statistics and Mathematics Division](#)

Interested candidates can apply to up to three Divisions of their choice, and can list these Division(s) in order of their preference in the application form depending on their research interests. The Division(s) selected by the applicant will assist in evaluating the application form. This assignment will be done in consultation with the Professor-in-Charge of the concerned Division(s). ISI is a multi-locational Institute, and the candidate can also list his/her preferences for locations in the application.

Further details about the research Units of a research division, faculty profiles, academic programs, and areas of research are available at the divisional websites and also at www.isical.ac.in.

D. in the appropriate branch; a first class or equivalent at the preceding degree with a very good academic record throughout • Outstanding contribution in their area of research; • Should have supervised doctoral students/major research projects. • Should have at least 10 years' (relaxable in exceptional cases) of Post-doctoral research/ teaching/industrial experience, of which at least 4 years should be at the level of Associate Professor. 	Preferably below 45 years

Institute Support for New Faculty Members:

In addition to the pay package, the Institute offers several incentives for professional and personal development of the new faculty members. These include

- (For Assistant Professors only): Start-up research grants of up to Rs. 15 Lakhs may be provided in the first year after joining upon submission of a suitable proposal; higher start-up grants may be considered favourably for those proposals which require expensive research equipment.
- Cumulative Professional Development Allowance (CPDA) of Rs. 3 Lakhs for every block period of 3 years (expected to be increased on implementation of pay revision in line with the 7th Pay Commission recommendation).
- Several well-established mechanisms for interaction with the industry, and other professional bodies, for research projects as well as for consultancy.
- The C-CAIR at the Institute facilitates faculty entrepreneurship, as well as faculty involvement in start-ups.
- Accommodation in campus housing based on availability.
- Attractive medical facilities and medical insurance scheme.
- Reimbursement of travel and relocation expenses is provided as per GoI norms.

Reservation:

Without any compromise on qualifications, experience and competence, reservation as per Government of India rules applicable to ISI will be followed. Reservation for differently abled candidates will also be allowed as per Government of India rules. Necessary certificates should be enclosed with the application form.

Additional Information:

- An application for being considered for the advertised position(s) can be made in the prescribed form which is available at the end of this advertisement.
- Foreign Nationals who are “Persons of Indian Origin” (PIO) or Overseas Citizens of India (OCI) can also apply.

- For other Foreign Nationals, if selected, an appointment will be on a contract basis for up to 5 years subject to permission from the Govt. of India before he/she can join the Institute. Extension beyond 5 years will be subject to a review process and also the approval of the ISI Council.
- The Institute reserves the right to screen and call only such candidates for a seminar and/or interview as are found suitable according to the current needs of the Institute. Thus, fulfilling the minimum eligibility criteria would not entitle one to be called for interview.
- Travel expenses for attending the interview/seminar presentation from any point within India will be reimbursed as per the Institute norms.
- The candidate is responsible for the correctness of the information provided in the application. If at a later date it is found that any information given in the application is incorrect or false, the candidature/appointment is liable to be cancelled/terminated.
- Candidates are encouraged to contact the Professor-in-Charge of their preferred division/s for additional information.

How to Apply:

Candidates must apply with a forwarding letter referring to the advertisement No. and its date, on the writable PDF form which is available at the end of this advertisement. The following documents are required (in PDF format) along with the application form.
