

**Announce Conference on  
"Population and Development in Eastern and North  
Eastern Regions of India"**

**Venue: Indian Statistical Institute (ISI), 203 B.T. Road, Kolkata 700 108**

**Date : September 14-15, 2017 (Thu-Fri)**

**Objective**

The ISI - IASP Conference for the Eastern and the North Eastern Region of the country is planned to focus on the population and development issues in this region by providing a common platform for the Demographers, Statisticians, Social Scientists and Development Practitioners of this region. The conference would discuss the present socio-demographic situation in the region and its policy and programme implications. The development agencies working in the region would be invited so that they could interact with the Demographers, the Statisticians and the Social Scientists of the region.

**Proposed sub-Themes**

1. Inter linkages between Population and Development
2. Statistical Models/approaches for estimation and study of association of population and development
3. Large scale Demographic Surveys: Issues and innovative approaches
4. Population, Health and Development Policies and Programmes
5. Population and Environment linkages including climate change
6. Youth Development including education, skill development and employment
7. Fertility, Mortality and Migration Trends and Determinants
8. Health Transition
9. Any other topics relevant to "Population and Development"

**Local Co-ordinators**
