

Greetings!

I am happy to share an **Adobe X Krutanic Internship Opportunity** for students looking to gain practical industry exposure, develop relevant skills, and strengthen their professional profile.

✿ **OPEN TO ALL STUDENTS All Departments | All Years | All Branches**

Whether students are in **1st, 2nd, 3rd, 4th year, or any other year of study**, they are welcome to explore this opportunity.

Program Highlights

- Open to students from **ALL departments and branches**
- Open to **ALL years of study**
- Industry-oriented learning and practical exposure
- Opportunity to develop technical and professional skills
- Internship certificate
- Performance-based recognition

Application

Interested students can review the opportunity and submit their application here:

<https://www.internshipadobe.online/>

The application deadline is today. We request you to kindly circulate this opportunity among students across **all years and all departments**, rather than limiting it to final-year students.

Your support in sharing this opportunity with students would be greatly appreciated.
