SEATS ARE LIMITED.

◆ Application Deadline:

June 24, 2022

Organized by

Indian Statistical Institute (ISI), Kolkata; under the National Centre for Mathematics (NCM), Mumbai.

OBJECTIVE

ATS will primarily provide an in-depth knowledge of statistical methods that play very significant roles in DATA SCIENCE. The topics include Regression Analysis, Model Selection, Categorical Data Analysis, Time Series Analysis, and Machine Learning Methodology (supervised/unsupervised). Implementation of these techniques using R will also be discussed in detail.

WHO CAN APPLY

- Faculty members from Universities/ Colleges/ Institutes located anywhere in India who are working or are planning to work in Data Science and/or Machine Learning
- Accommodation can be provided for the outstation participants in the ISI guest house (maximum for 15 candidates). Breakfast and dinner will be served to those who stay in ISI guest house
- Lunch and afternoon tea will be provided on the event days
- Participants will need to bring their own laptops

HOW TO APPLY

Applications have to be submitted via an Online Form available at the link:
<https://www.atmschools.org/school/2022/IST/atst/application-form>

Selected Candidates **MUST** confirm their participation by July 5, 2022

- A **CERTIFICATE OF PARTICIPATION** will be awarded to each participant attending **all** the sessions.
