NOTICE

Indian Statistical Institute is hosting a two-month summer internship program in Cryptology during 19 May -- 18 July 2014 at the Institute's Kolkata campus -- 203 B T Road, Kolkata 700108.

This internship is open for Undergraduate, Postgraduate, or Doctoral students of Mathematics, Statistics, Computer Science and Engineering, and no prior knowledge or experience in Cryptology or Security is expected from the applicants.

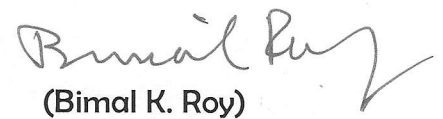

The participants of this program are expected to get stipends, enough to cover their travel to-and-fro Kolkata (if necessary), local accommodation (if necessary), and other sustenance expenses during the course of the internship. The number of positions is limited, and the criteria for choosing the candidates will be based on their overall academic record and recommendations from their respective academic authorities.

Deadline for application : 20 March 2014  
Notification of decision : 01 April 2014  
Internship duration : 19 May - 18 July 2014

The applicant should send (1) his/her academic CV, mentioning all marks starting from class 10, and (2) a recommendation and/or forwarding letter from the Head of Department or the Head of Institution. The applicant should also mention whether hostel accommodation at Kolkata is required.

The applicant may email doc/pdf and scanned copies of letters to [coecrypto@gmail.com](mailto:coecrypto@gmail.com) (alternatively, one may send paper copies to The Director, Indian Statistical Institute, 203 B T Road, Kolkata 700108).
