ADMISSION 2018

M. Tech. Programmes in Computer Science (CS) & Cryptology and Security (CrS)

Shortlisting of Candidates for Direct Interview on the basis of GATE Scores

After examination of all applications containing GATE scores, and on the basis of the announced cutoff of 770 (for the General category), 693 (for the OBC-NC category), and 539 (for the SC/ST/PwD categories), the following candidates are permitted to appear directly in the interview leading to final selection for admission to the M.Tech. programmes in Computer Science (CS) and Cryptology and Security (CrS) for the academic session 2018-19 at the Indian Statistical Institute, Kolkata. The list of candidates so shortlisted is given below.▣

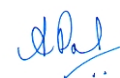

These candidates, at their own discretion, may still appear at the written test to be held on the 13th of May, 2018. In that case, the final selection will be based on one of the following scores, whichever is favourable to the candidate:

- (i) the GATE score and the interview score
OR
(ii) the written test score and the interview score.
