## Admission Test 2019

### **Verification of Answer Keys of all MCQ-based Tests, Scanned Images of OMR Answer Sheets and Recorded Responses**

All candidates who appeared in the ISI Admission Test 2019 on May 5, 2019 and took any MCQ-based test(s) are hereby informed that they will be able to challenge online, for a limited period of time, the corresponding answer key as well as their own responses on OMR sheets as recorded by the OMR system, if the recorded responses differ from the ones they had marked on OMR sheet. Instructions for this will be available on the ISI Admission Webpage at <https://www.isical.ac.in/~admission/>

The Answer Keys of all MCQ based tests are expected to be uploaded on the challenge portal from May 8, 2019 onwards. Once this operation is completed, the challenge link will be functional, allowing candidates to challenge answer keys of respective questions in the test taken by them for a period of 48 hours.

The scanned images of OMR answer sheets of the candidates, together with their recorded responses, will also be uploaded on the portal and can be viewed and challenged by the candidates for a period of 48 hours. During this 48-hour period candidates will be allowed to challenge the recorded responses if these differ from the ones they had marked on the OMR sheet. Candidates should regularly visit the challenge portal.

**Challenge fee:** The prescribed fee for each challenge is Rs. 200/- (Rupees Two hundred only), plus admissible charges, which will be required to be paid online only. If any challenge is found to be valid, the challenge fee paid will be refunded to the candidate after deduction of the bank/credit card and related charges, if any.

If the challenge regarding an answer key is accepted by the Institute, that is, if any error is identified in the answer key, a policy decision will be made, which will be applicable to all the candidates who appeared for the test and the challenge fee shall be refunded. Similarly, if the recorded response is not the same as marked by the candidate on the OMR sheet, a corrective action will be taken, the candidate's score will be updated accordingly, and the challenge fee paid will be refunded to the candidate after deduction of the bank/credit card and related charges, if any.

#### **Please note:**

1. Challenges submitted by post or in person will not be accepted. Challenges submitted using only the online ISI Admission challenge portal will entertained.
2. In case a candidate does not submit the challenge regarding recorded response by prescribed date and time, it will be presumed that his/her recorded responses are the same as marked on OMR sheet.

The Institute's decision on the challenges shall be final and no further communication will be entertained in this regard.
