

Policy regarding Overseas Applicants

Anyone satisfying the requisite eligibility criteria can apply for admission to any academic programme being offered by ISI in the current year, irrespective on nationality or residence status.

Applicants residing overseas, like all other applicants, must apply online. However, they must take the Admission Test at one of the Test centres located in various towns and cities all over India (see Table 1, page no. 39 of the Prospectus). In addition, such applicants are also requested to **share their Application ID by email** to dean@isical.ac.in with subject **Admission 2020-21: Overseas Application** immediately after successful submission of the application, and certainly no later than **March 20, 2020**.
