

POLICY ON OVERSEAS APPLICANTS FOR ADMISSION 2021-2022

Anyone satisfying the requisite eligibility criteria can apply for admission to any academic programme being offered by ISI in the current year, irrespective on nationality or residence status.

Indian nationals residing overseas and foreign nationals, like all other applicants, must take the admission test at one of the test centres located in various towns and cities all over India (see Section 9 of Prospectus 2021-22). Applicants of foreign nationality will be regarded as applicants of the general (unreserved) category.
