

## NOTIFICATION

It has been brought to our notice that some candidates who were made provisional seat or wait list offers in the first round of counselling were unable to receive emails with login IDs and passwords, with the help of which they would have been able to convey their acceptance or non-acceptance online. A provisional seat candidate or a wait list seat candidate who did not receive an email with login id and password is requested simply to **fill up the Google form <https://goo.gl/forms/A9YwoNcEyjDnICvh2> online BY 12 noon on Sunday, July 8, 2018.**

**On receipt of the information, the login ID and password will be shared again. The candidate MUST complete acceptance formalities after logging in at the earliest, and certainly no later than 6 p.m. on Sunday, July 8, 2018.**

Please note that this limited-period offer is being made ONLY to candidates on the first-round allocation list (<https://www.isical.ac.in/~admission/First-Round-Lists.html>) who DID NOT receive an email with login ID and password. No exemptions will be allowed after the above deadline.
