

INDIAN STATISTICAL INSTITUTE
203 B. T. Road, Kolkata 700 108

Date: September 06, 2016

**Short-Term Research Fellowship(s) for
Doctoral, Post-Doctoral Researchers and Faculty Members from
North-Eastern Region of India**

Every year Machine Intelligence Unit (MIU), Indian Statistical Institute (ISI) organizes schools (a week-long training programs) with an aim at providing opportunities to the students/research scholars and teachers of college/universities/institutes of the North-East parts of India for their exposure to state-of-the-art techniques of pattern recognition, image analysis, soft computing, machine learning, bioinformatics, data mining, web intelligence and related areas. Topics of the school range from introductory concepts to different real life applications, and the lectures are delivered by the faculty members of the MIU. For details, one may visit <http://www.isical.ac.in/~miune/> and <http://www.isical.aci.in/~miu>.

Opportunities are also available to highly motivated and talented faculty members and doctoral/post-doctoral researchers below the age of 35 years, affiliated to the colleges/universities/institutes of the North-East parts of India, to do research work jointly with the faculty members of MIU in areas of common interest. An amount of Rs. 15,000/- per month as a fellowship, to meet the local expenditure including lodging and boarding, will be provided to a selected candidate. The minimum period of stay is two months, and the maximum is six months or till March 31, 2017 whichever is earlier. Along with the fellowship, train fare up to AC 3 tier or actual bus fare will be provided from the candidate's place of work to ISI, Kolkata and back, by the shortest route on production of proper documents. Accommodation cannot be provided by ISI, and the candidate has to arrange his/her own accommodation out side ISI Kolkata campus.

Interested candidates may directly send their applications by e-mail (miu@isical.ac.in or miune@isical.ac.in) or by surface mail addressed to **The Head, Machine Intelligence Unit, Indian Statistical Institute, 203 B. T. Road, Kolkata 700 108** with a copy of their bio-data including the date of birth, passport size photograph, a brief research proposal, work plan, and the duration of proposed stay at ISI Kolkata, forward by the supervisor and Head of the Institution.

Selection of the candidates will depend fully on the applicant's academic credential, experience and availability of the funds. Application can be made at any time but no later than December 31, 2016.

(Rajat K. De)
