List of publications of Dr. Nikhil R. Pal

Books

Journal publications:

**Articles in arXiv**

**Articles Published in Books/Edited Volumes/Referred Conference Proceedings**

196. S. Das and N. R Pal, "Understanding the Classes Better with Class-Specific and Rule-Specific Feature Selection, and Redundancy Control in a Fuzzy Rule Based Framework" , *Proc. 23rd International Conference on Intelligent Data Engineering and automated Learning, IDEAL 2022*, S. H. Yin et al. (Eds.): IDEAL 2022, LNCS 13756, pp. 338-347, 2022, DOI: https://doi.org/10.1007/978-3-031-21753-1_33

244. Chin-Teng Lin, Nikhil R. Pal, Chien-Yao Chuang, Tzuy-Ping Jung, Li-Wei Ko, Sheng-Fu Liang, “An EEG-based Subject- and Session-independent Drowsiness Detection” Proceedings of International Joint Conference on Neural Networks(IJCNN), World Congress on Computational Intelligence, pp. 3448-3454, June 1-6, 2008.
