

PReMI 2017 Awards and Fellowships

This is important information for all the registered participants of PReMI 2017.

The PReMI 2017 is going to award two best papers, in two different categories, sponsored by SPRINGER.

1. The First One: In the Student Category.
2. The Second One: Young Scientist in Post-doctoral/Faculty who are below the age of 35 years as on 1st December 2017.

The award consists of Springer e-books worth 250 EUROS, which is provided in the form of coupons by the Springer and a Citation by the Conference Committee.

Fellowships for the students:

1 (a) Springer Student Support Award and (b) IAPR Student Support Award, each with prize money of Rs. 5000.00 (Rupees Five Thousand Only), will be awarded to a few selected student authors, only after they present their research work at PReMI as registered participants.

2. There will be a student-industry meeting on 7th Dec. morning. Our sponsor Flytxt will be awarding another fellowship in lieu of the PReMI Registration fees to a few selected students during that meeting. All student participating authors are requested to confirm their availability for this meeting to be eligible for the award.

Mandatory for both Student and Young Scientist categories:

An author/co-author of a paper presents their research work at PReMI as a registered participant.

Mandatory requirement for consideration in student category:

- Has to submit the proof of being a student.

Mandatory for consideration in Young Scientist category:

- Has to submit the proof of the age.

NOTE: Proofs need not be submitted again if already submitted.

Please keep watching webpage for any changes or new announcement for the participants.
