

Theoretical Statistics and Mathematics Unit, Kolkata
INDIAN STATISTICAL INSTITUTE

SEMINAR

Date: July 09, 2025
Time: 11:30 AM

VENUE:

L- Infinity

(5th Floor, A.N. Kolmogorov Bhavan), ISI Kolkata

TITLE:

Affine Grassmannians and the Uniformization theorem

SPEAKER:

Sourav Holme Choudhary

Stat-Math Unit, ISI Kolkata

ABSTRACT:

In this talk, we will review the uniformization theorem and the geometry of Affine Grassmannians. We will outline how these results can be used to study the A_1 -connectedness properties of Bun_G . This is a continuation of the previous talk.

ALL ARE CORDIALLY INVITED
