LECTURE SERIES

Lecture-3:

Group Representations in Analytic Number Theory

----- By -----

Dr. Satadal Ganguly

Stat-Math Unit, ISI Kolkata

ABSTRACT:

This lecture will be a crash course on Representation Theory, mainly of compact groups and mostly without proofs. The concepts and results to be discussed will be required later.

Date: September 16, 2026

Time: 2:15 – 4:00 PM

Venue: L-infinity, 5th Floor, A.N. Kolmogorov Bhavan, ISI Kolkata

ALL ARE CORDIALLY INVITED
