SEMINAR

Date: June 13, 2025
Time: 11:00 AM

VENUE:

L- Infinity

(5th Floor, A.N. Kolmogorov Bhavan), ISI Kolkata

TITLE:

Elliot's classification theorem for unital AF algebras

SPEAKER:

Sayan Shit

Stat-Math Unit, ISI Kolkata

ABSTRACT:

We will present the proof of Elliot's theorem which states that unital AF algebras can be classified by their ordered K-theory.

ALL ARE CORDIALLY INVITED
