LECTURE SERIES

Lecture-6:

Group Representations in Analytic Number Theory

---------- By ----------

Dr. Satadal Ganguly
Stat-Math Unit, ISI Kolkata

ABSTRACT:

We shall discuss Automorphic forms on cocompact groups and the Selberg Trace formula and discuss the connection between the forms and representations.

Date: **October 28, 2026**

Time: **2:15 – 4:00 PM**

Venue: **L-infinity, 5th Floor, A.N. Kolmogorov Bhavan, ISI Kolkata**

ALL ARE CORDIALLY INVITED
